Hi Lauren,

I hope you are well.

I understand Enbridge responded to MSIFN's comments regarding the Cherry Valley Community Expansion Project. I was curious if you could please send a copy of Enbridge's response to MSIFN's comments, so we can review and have it for our records?

Thank you kindly, Bree

Good morning, good morning!

Just checking in to see when you think I might hear about letter of opinion on Cherry Valley Community Expansion Project. I know you're probably swamped so no stress if you haven't gotten to it yet.

Thank you in advance and stay warm!

Hi Mel,

I hope you're well!

Thank you for checking in regarding the Cherry Valley Community Expansion Project Letter of Opinion. We are working hard to complete our sufficiency assessment, and hope to provide a letter of opinion to Enbridge soon. Is there a specific date you need the letter by?

In my reach out's to communities, Hiawatha FN noted that they were awaiting a response from Enbridge to address their comments. Has Enbridge followed up with a response to Hiawatha? If so, can you please send us Enbridge's response to HFN's comments, so we can assess and have it for our record?

I am cc'ing my colleague Chloe Lazakis to this email. Chloe is supporting me on Cherry Valley file.

If you have any comments or questions, please don't hesitate to ask! Always happy to chat.

Have a great day and wonderful weekend, Bree

Omg thank you a ton Bree. Yes, we have almost finished responses to Hiawatha First Nation on their comments. Should be out in the coming week.

If it would be available before the end of the year that would be fantastic. Please let me know if anything I can to help

Thanks again,  
Mel
