Dear Ms. Marconi:

**Re: Enbridge Gas Inc. Application for Approval of Renewal of Franchise Agreement
with County of Simcoe: OEB File No. EB-2024-0280**

The County of Simcoe is in receipt of the written interrogatories from OEB staff. In response to the request from OEB staff that the County advise whether it intends to file evidence, the County respectfully requests that the OEB allow the County to reserve its right to do so until it has had a chance to review Enbridge's response to interrogatories.

Sincerely,

Zarah Walpole
