Dear Christine Long:

**Re: Alectra Utilities Corporation (Alectra Utilities)
Application for 2025 Electricity Distribution Rates
OEB File Number: EB-2024-0006**

The Ontario Energy Board (OEB) issued a Final Rate Order approving Alectra Utilities' Tariff of Rates and Charges in the above noted proceeding on December 20, 2024. The approved Tariff of Rates and Charges is to be effective January 1, 2025.

On December 23, 2024, Alectra Utilities wrote to the OEB identifying several errors in the Tariff of Rate and Charges for the Brampton Rate Zone. Pursuant to Rule 41.02 of the OEB's *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions.

The OEB considers the errors identified by Alectra Utilities to be typographical errors. The OEB is reissuing the Final Rate Order that corrects the errors identified by Alectra Utilities in the Tariff of Rates and Charges for the Brampton Rate Zone. The Final Rate Order, as originally issued, is not otherwise changed in any way.

Yours truly,

Nancy Marconi
Registrar
