Dear Nancy Marconi:

**Re: Ontario Energy Board (OEB)  
Spending Pattern Analysis – Stakeholder Consultation  
Consumers Council of Canada (CCC) Participation Request  
OEB File No. EB-2025-0108**

---

I am a consultant for the Consumers Council of Canada (CCC). I have been instructed by my client to indicate our intent to participate in the OEB's Consultation on Spending Pattern Analysis. CCC is a public-interest entity which represents the interests of residential consumers in Ontario.

On November 14, 2024, CCC filed with the Ontario Energy Board, pursuant to Rule 22.03 of the Ontario Energy Board's Rules of Practice and Procedure, a document describing CCC, its mandate and objectives, membership, the constituency represented, and the types of activities CCC carries out. In addition, we provided a list of the individuals authorized to represent CCC in OEB proceedings.

The nature and scope of CCC's intended participation in this consultation process will be the following:

- 1) Participate in the April 25, 2025 stakeholder meeting;
- 2) Provide responses to the planned survey;
- 3) Participate in the follow-up interview (as applicable);
- 4) Provide a submission regarding the initial Report of the Board; and
- 5) To participate in any further steps in the process, if required.

CCC intends to ask for an order of costs in this proceeding. CCC has participated in many proceedings and consultations over a long period of time. In all of those proceedings and consultation processes CCC has been recognized as being eligible for an award of costs. In the absence of an award of costs CCC would be unable to participate in this consultation process.

Copies of all correspondence related to this consultation process be sent to the following:

Please let us know if any further information from CCC is required at this time.
