Dear Ms. Marconi,

**Re: Electricity Distribution License ED-2003-0004
2026 Cost of Service Application for Electricity Distribution Rates (EB-2025-0051)
Interrogatory Responses**

On June 30, 2025, Burlington Hydro Inc. ("BHI") received approximately 780 interrogatories, including subparts, from OEB Staff and various parties in this proceeding. BHI submits Interrogatory Responses in proceeding EB-2025-0051 in accordance with the OEB's Procedural Order ("PO") No. 2 issued June 19, 2025.

The following Interrogatory Responses have been filed:

- BHI_IRR_Staff_07242025
- BHI_IRR_Intervenors_07242025
- BHI_IRR_Intervenors_07242025_Appendices 1of3
- BHI_IRR_Intervenors_07242025_Appendices 2of3
- BHI_IRR_Intervenors_07242025_Appendices 3of3

Some interrogatories requested live excel models to be filed. Where applicable, the excel models are provided as appendices to the response and the files are named accordingly.

BHI has provided an updated RRWF in Excel format and updated the models and appendices in the Application in response to the interrogatories. These are filed as follows:

- Attachment_OEB_Chapter2Appendices_BHI_07242025
- Attachment_OEB_ACM_ICM_Model_BHI_07242025
- Attachment_Load_Forecast_Model_BHI_07242025
- Attachment_RRWF_BHI_07242025
- Attachment_2026_PILS Workform_BHI_07242025
- Attachment_2026_Cost Allocation Model_BHI_07242025
- Attachment_OEB_RTSR_Workform_BHI_07242025
- Attachment_OEB_Tariff_Schedule_and_Bill_Impact_Model_BHI_07242025
- Attachment_DVA_Continuity_Schedule_BHI_07242025

Burlington**hydro**
inc.

Lastly, a number of interrogatory responses contain confidential information. Under separate cover, BHI requests that these responses be treated confidentially, pursuant to the OEB's Rules of Practice and Procedure and the OEB's Practice Direction on Confidential Filings.

The Application is being filed through the OEB's RESS system.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. Pappas'.
