Dear Mr. Thompson:

**Re: Electricity Retailer Licence Renewal
Northern Cross Energy Limited - ER-2007-0602**

Your Electricity Retailer Licence ER-2007-0602 is due to expire on September 17, 2012.

If Northern Cross Energy Limited wishes to continue to participate in the Ontario Electricity market, you are invited to file an application to renew Northern Cross Energy Limited's Electricity Retailer Licence. As you are aware, Northern Cross Energy Limited is not permitted to carry out activities described in section 57 of the *Ontario Energy Board Act, 1998* (the "Act") without a licence.

The standard time required to issue a licence is 90 days from receipt of a complete application. To assist the Board to renew Northern Cross Energy Limited's licence in a timely manner prior to the expiry date, you are required to submit your application to the Board within 30 days of this e-mail. A licence application form is available on our website at the following address: <http://www.ontarioenergyboard.ca/OEB/Industry/Licences/Apply+for+a+Licence>

On receipt of the application, the Board will proceed to review the application for renewal in accordance with Part V of the Act. If we do not receive the application by the required date, the Board will be prepared to remove the name from the licensee records once the current licence is expired.

If you have any questions regarding this process, you may contact Spencer Hall, Analyst, Licence Applications at 416-440-7667 or by e-mail at Spencer.Hall@ontarioenergyboard.ca.

Yours truly,

John Pickernell
Assistant Board Secretary
