Dear Sirs;

**Re: Electricity Retailer License Application –
EB-2007-0769, Green Breeze Power Inc.**

We are writing to request a new Electricity Retailer Licence, for the subject company. This new licence will replace ER-2007-0608, which was issued July 17th 2007 to Green Breeze Energy Systems Inc. (GBES). As advised by your offices, instead of requesting a transfer from one company to the other, we are attaching a new application in the name of Green Breeze Power Inc. (GBP). We are told that this route is the more familiar process in your organization.

Again, please note that all the pertinent information remains the same, with the exception of the organizational chart which now includes the newly incorporated GBP. As you can see, both GBES and GBP have the same Parent Company, Green Breeze Inc. All key individuals from the original licence will remain the same as well.

We have been advised, by our accountants, that having the licence under Green Breeze Power Inc., a new single purpose entity, would be a more appropriate structure for our company.

As nothing is changing from the original application except the company name, we would appreciate it if you would expedite our request.

If you require any additional information, please do not hesitate to contact, Ms. Kathy Kay or me at 519-440-0216.

Yours truly,

A handwritten signature in black ink, consisting of several overlapping loops and curves, positioned to the right of the typed name.

John Cobb
President,
