DECISION AND ORDER

EB-2024-0341

DOMINION NEWENERGY INC.

Application for an Electricity Retailer Licence

BY DELEGATION,

BEFORE: **Brian Hewson**
Vice President, Consumer Protection & Industry Performance

January 14, 2025

Decision and Order

Dominion Newenergy Inc. (Dominion Newenergy) filed a complete application on November 21, 2024, with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) to renew an electricity retailer licence. The licence would allow the applicant to continue providing electricity retailer services in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

The applicant was previously licensed by the OEB as an electricity retailer, however its licence expired on July 24, 2024.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the electricity retailer licence to Dominion Newenergy. The OEB notes the application was filed by the applicant 120 days after the expiration of the existing licence. Applicants are reminded of the importance to apply for renewal of any licence sufficiently prior to the expiry date to allow for processing of the application. The granting of this licence is without prejudice to any future compliance action regarding Dominion Newenergy's operating without a licence.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, January 14, 2025
