Dear Eric VanRuymbeke:

**Re: Enbridge Gas Inc.
Overlea Station Relocation Project
Ontario Energy Board File Number: EB-2024-0141**

Enbridge Gas Inc. (Enbridge Gas) filed an application with the Ontario Energy Board (OEB) on May 22, 2024 under section 90(1) of the *Ontario Energy Board Act, 1998* (OEB Act), seeking leave to construct the Overlea Station Relocation Project (Overlea Project).¹

On July 19, 2024, Enbridge Gas filed a letter stating that it intended to prepare and file an application for exemption of the Overlea Project from the requirement to obtain leave to construct, under section 95(1) of the OEB Act. Enbridge Gas requested that the OEB place the leave to construct application in abeyance pending the outcome of Enbridge Gas's proposed exemption application.

On August 1, 2024, the OEB advised Enbridge Gas that it had placed the leave to construct application in abeyance as of July 19, 2024. The OEB also stated that it expected that Enbridge Gas would withdraw its leave to construct application if the new exemption application to be filed by Enbridge Gas was approved by the OEB. On August 9, 2024, Enbridge Gas filed the exemption application.²

¹ EB-2024-0141

² EB-2024-0250

On December 17, 2024, the OEB issued a decision approving Enbridge Gas's exemption application. On January 10, 2025, Enbridge Gas filed a letter with the OEB requesting to withdraw its leave to construct application given the OEB's approval of its exemption application.

The OEB accepts Enbridge Gas's request to withdraw its application.

Pursuant to section 30 of the OEB Act, Enbridge Gas shall pay the OEB's costs of and incidental to this proceeding immediately upon receipt of the OEB's invoice.

DATED at Toronto, **January 20, 2025**

ONTARIO ENERGY BOARD
