On May 21, 2024, the OEB issued its Decision on Cost Award Eligibility granting cost eligibility to eight parties. In its Decision, the OEB noted that there were stakeholders with overlapping interests. The OEB indicated its expectation that stakeholders with similar viewpoints would coordinate their activities in order to increase efficiency and minimize costs.

Energy Probe filed a letter on June 5, 2024, requesting to participate in the consultation. On June 11, 2024, the OEB accepted Energy Probe's request and granted cost eligibility.

The OEB issued a Final OEB Staff Report on its review of the Annual Update to the GSP of Enbridge Gas on January 14, 2025.

The hearing will follow the process set out below.

1. Eligible parties intending to claim cost awards shall submit their cost claims by **January 31, 2025**. The cost claims must be filed with the OEB and served on Enbridge Gas. The cost claims must be completed in accordance with section 10 of the OEB's [Practice Direction on Cost Awards](#).
