Dear Mr. Dalhoff:

**Re: Electricity Wholesaler Licence Renewal
Dynegy Power Marketing, Inc. – EW-2003-0272**

Your electricity wholesaler licence EW-2003-0272 is due to expire on November 9, 2008.

If you wish to continue to participate in the Ontario electricity market, you are invited to file an application to renew your electricity wholesaler licence. As you are aware, no person is permitted to carry out activities described in section 57 of the *Ontario Energy Board Act, 1998* (the "Act") without a licence.

To assist the Board to renew your licence in a timely manner prior to the expiry date, you are required to submit your application to the Board before July 25th, 2008. A licence application form is available on our website at the following address:
<http://www.oeb.gov.on.ca/html/en/licences/applyforallicence.htm>

On receipt of your application, the Board will proceed to review your application for renewal in accordance with Part V of the Act.

If we do not receive your application by the required date, the Board will be prepared to remove your name from the licensee records once the current licence has expired.

If you have any questions regarding this process, you may contact Irina Kuznetsova, Analyst, Licensing Applications, at 416-440-8138 or by email at irina.kuznetsova@oeb.gov.on.ca.

Yours truly,
