Dear Ms. Walli:

Board File No. EB-2008-0219
Enbridge Gas Distribution Inc. – 2009 Rates Adjustment
Intervention of Energy Probe

Pursuant to the Notice of Application issued by the Board on October 20, 2008, Energy Probe Research Foundation (Energy Probe) is hereby providing Notice of Intervention in the EB-2008-0219 proceeding for the Board's consideration. An electronic version of this communication will be forwarded in PDF format.

Energy Probe has become aware of a number of issues it wishes to pursue in this Matter, and has therefore availed itself of expert support. Energy Board submits that the complex issues to be aired in this matter lend themselves to an oral hearing. The Applicant has requested a two-phase approach to the review of its application. Energy Probe does not object to this format for review but wishes to note that the issues to be dealt with in the first phase may not be strictly mechanical as indicated in the Application.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh

NOTICE OF INTERVENTION

OF

ENERGY PROBE RESEARCH FOUNDATION

Energy Probe Research Foundation (Energy Probe) applies for intervenor status in this proceeding.

Statement of Interest

Energy Probe is a non-profit environmental and consumer organization which promotes economic efficiency in the use of resources. Energy Probe will be representing its residential customer supporters in Ontario, which we have some number of thousands, and also representing a broader public interest concern with respect to the overall financial health and operational integrity of our utilities. Energy Probe will be intervening on issues which the Foundation believes to be in the public interest.

Intervention

Energy Probe intends to appear and participate in the hearing. Energy Probe expects to be a full-time intervenor. Energy Probe will be assisted by experts.

Costs

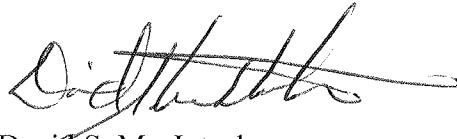

Energy Probe is a non-profit organization which relies on individual donations to help protect the public interest. Without the prospect of an award of costs, Energy Probe's ability to participate in proceedings would be very limited. Energy Probe intends to seek a cost award in this proceeding, and expects to intervene responsibly, cognizant of the Boards guidelines regarding cost awards.

Communications

Communications relating to this Notice of Intervention, including but not limited to a copy of all documents filed with the Board by Enbridge Gas Distribution Inc., are required by Energy Probe and should be directed to:
