Below are my official responses to the questions posed by the OEB in our last communication:

- Yes, I am a property owner directly affected by the Waasigan Transmission Project.
- We have not yet signed an agreement with Hydro One. However, our legal representative is currently engaged in negotiations with Hydro One's legal counsel.
- I have made multiple attempts to contact the Hydro One representative by phone and email regarding the updated offer dated December 12th. As of today's date, I have not received a response.

I would appreciate your guidance on the appropriate protocol for these submissions at your earliest convenience.

Thank you for your time and assistance.

Best regards,
Kurt Krause
