Decision and Order

Dominion Newenergy Inc. dba DNE Resources (Dominion Newenergy) filed a complete application on January 6, 2025, with the Ontario Energy Board (OEB), under section 50 of the *Ontario Energy Board Act, 1998* (OEB Act) to renew a gas marketer licence. The licence would allow the applicant to continue providing gas marketer services in Ontario.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6(4) of the OEB Act.

The applicant was previously licensed by the OEB as a gas marketer, however its licence expired on December 18, 2024.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the gas marketer licence to Dominion Newenergy. The OEB notes the application was filed by the applicant 19 days after the expiration of the existing licence. Applicants are reminded of the importance to apply for renewal of any licence sufficiently prior to the expiry date to allow for processing of the application. The granting of this licence is without prejudice to any future compliance action regarding Dominion Newenergy's operating without a licence.

IT IS ORDERED THAT:

1. The application for a gas marketer licence is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, February 6, 2025
