Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge St, Suite 2701

Dear Ms. Walli:

**Board File No. EB-2008-0246**  
**Tillsonburg Hydro Inc. – 2009 Rates Rebasing Application**  
**Intervention of Energy Probe**

In reviewing Procedural Order No. 1, issued by the Board earlier today, Energy Probe Research Foundation (Energy Probe) became aware of an error in the listing of Energy Probe in Appendix B on Page 8. Mr. Peter Faye has been incorrectly listed as representing Energy Probe in this matter. It appears that this information was taken from a Notice of Intervention in another proceeding, one of those in which Mr. Faye is acting as our counsel.

For clarity, I am attaching the Notice of Intervention filed on September 12, 2008 in this proceeding. Please note that Mr. Randy Aiken is consulting for Energy Probe in this matter. We request that Mr. Aiken be listed on any future Procedural Orders and that he receive copies of communications and evidence throughout this proceeding, rather than Mr. Faye.

Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh  
Case Manager
