Dear Ms. Marconi,

Re: Greater Sudbury Hydro Inc. (Greater Sudbury Hydro)
2025 Cost of Service Application
OEB File Number: EB-2024-0026

We are writing on behalf of all the parties to advise that we have reached a tentative settlement on all but one discrete set of issues. The parties are working on drafting a partial settlement proposal and will use best efforts to file the proposal on or before the current filing deadline of March 7, 2025. At the time of the filing of the settlement proposal it is the intent of the parties to provide submissions on how the hearing of the unsettled issues should proceed.

If you have any questions with respect to the foregoing, please contact the writer at your convenience.

Yours truly,
