November 3, 2008

IN THE MATTER OF section 78 of the *Ontario Energy Board Act, 1998, S.O.c. 15, (Schedule B)*;

AND IN THE MATTER OF a proceeding initiated by the Ontario Energy Board to determine if approval should be given to the proposed changes in Hydro One Networks Inc. revenue requirement for 2009 and 2010, and for changes to the uniform provincial transmission rates that Hydro One charges for electricity transmission.

NOTICE OF INTERVENTION
of Ontario Power Generation Inc.

1. Ontario Power Generation Inc. ("OPG") hereby requests intervenor status from the Ontario Energy Board in the above referenced matter.
2. OPG is a corporation registered in Ontario which owns and operates a significant portfolio of electricity generation plants in the province of Ontario. OPG is active in the Ontario electricity market and therefore has an interest in the matters covered by the Application before the Board.
3. OPG intends to actively participate in the Board's proceedings. OPG reserves the right to address any issues it deems material to its interests with respect to this Application. Given the nature and scope of the application and the potential impact of the rates on customers, OPG prefers that the Board hold an oral hearing. OPG does not intend to seek an award of costs.
4. OPG requests copies of all materials relevant to this application. OPG reserves the right to make submissions on the Application pending review of the materials.

5. All correspondence relating to these proceedings should be addressed to:

Mr. Tony Petrella
