Attention: Board Secretary

Dear Sirs:

**Re: Application for Electricity Generation Licence for  
BluEarth Asset Management Inc. as Operator, and  
Amendments to Existing Licences**

Enclosed please find the following documentation,

- Application for an Electricity Generation Licence, Feed-in Tariff for BluEarth Asset Management Inc. as Operator, in duplicate
- Application fee in the sum of \$1,000.
- Letter requesting amendment to existing Licences EG-2014-0023 and EG-2014-0024 from Owner/Operator to Owner
- Letter requesting amendment to existing Licence EG-2013-0200 from Owner/Operator to Owner, and update of contact information

We would request that concurrent with the issuance of a Generation Licence to BluEarth Asset Management Inc. as Operator, the existing Licences referred above be amended to remove Operator and retain Owner status alone.

We have been in communication with Vince Mazzone of your office with respect to this matter should you have questions regarding background.

Should you have further questions, however, please do not hesitate to contact me directly.

Yours very truly,
