EW-2002-0009

Dear Sir: *B. White*

Ford Motor Company of Canada, Limited has recently applied for a renewal of Electricity Wholesaler License number EW-2002-009 which is due to expire on August 14, 2007.

The application to renew this license is late due to retirement of key individuals and also due to uncertainties by myself with regard to which application(s) should be filed. In order to protect Ford's ability to purchase electricity for our facilities in Canada, I would respectfully request that the current license be extended until such time as a final decision is made by the Ontario Energy Board with respect to the renewal application.

I further consent to proceed without a hearing with respect to this extension request. If you have any questions or additional information requests, you may reach me at 313-322-6558 or by email at [jwhite11@ford.com](mailto:jwhite11@ford.com)

Sincerely,

Jeffery D. White
