Saturday was the perfect night for a parade as hundreds of people lined the streets of Warsaw to witness Santa's arrival in Douro-Dummer. Following the Parade hot chocolate, goodies and Christmas music were enjoyed and the community Christmas Tree magically came to life at the home of Bill and Sharon Parcells, next to the Cenotaph.

Local builder honoured

BY ANITA LOCKE

Peterborough and The Kawartha Home Builders Association held its fifth annual "Kawartha Awards of Distinction" Gala last Friday evening (November 23) at the Holiday Inn Waterfront Peterborough.

Kawartha Lakes Construction (KLC) was named "Home Builder of the Year", a new award presented for the first time this year.

KLC, owned by Scott Wootton, is a local renovation and building company based just north of Lakefield.

The company also received first place honours in two "Most Outstanding Home Renovation" categories – for a project under \$25,000, and the Nancy and Roger Patten residence in the over \$150,000 category.

"Being named Home Builder of the Year is a very humbling experience," Scott says.

"It takes a real team

effort to make this a reality, and I want to take the opportunity to thank all the sub-trades – the drywallers, flooring, electrical, plumbing and other certified tradespeople – and suppliers. They all help to make us shine."

Kawartha Lakes Construction was established in 1994, and currently employs five office staff and 12 field staff.

Other winners included Cleary Homes, Melody

Homes, Linwood Homes, Jim Williams Construction Co., M.J. Davenport & Associates, Parkview Homes, and Maplehurst Homes.

The awards recognize the special achievements of members of the Association – homebuilders, renovators and new home design, sales and marketing professionals.

Nominees were judged by individuals within the home building industry.

Lakefield police cost debated

Continued from page 1

"I would like to see how those numbers crunch out," she said.

Reeve Millen said that on top of SEL's 3.96 per cent share, the township provides the police office in

Lakefield at its own cost.

He referred to recent charges by some City councillors that the city is subsidizing Lakefield's policing cost.

Estimating the cost per officer, overhead includ-

ed, at \$100,000, "... we're paying a lot more than that for three," he said. Council finally passed motion asking the police board for a budget justifying Lakefield's share the costs.

NOTICE OF APPLICATION AND WRITTEN HEARING FOR AN ELECTRICITY DISTRIBUTION RATE CHANGE

Peterborough Distribution Incorporated Lakefield

The Ontario Energy Board has received an application on November 05, 2007 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15 (Schedule B), seeking approval for changes to the rates that Peterborough Distribution Incorporated Lakefield charges for electricity distribution, to be effective May 1, 2008. The Board has assigned the application file number EB-2007-0910. The Board's decision on this application may have an effect on all of Peterborough Distribution Incorporated Lakefield's customers.

Any change to the rates that Peterborough Distribution Incorporated Lakefield charges for electricity distribution will be reflected in the delivery charges. Delivery charges are one of four regular items on residential and general service customers' electricity bills and vary depending on the amount of electricity consumed.

Peterborough Distribution Incorporated Lakefield indicates that if the application is approved as filed, a residential customer consuming 1,000 kWh per month would experience an approximate 3.3% decrease in the electricity bill. A small general service customer consuming 2,000 kWh per month and having a monthly demand of 50 kW or lower would see an approximate 2.0% decrease in the electricity bill.
