Dear Nancy:

Re: File No. EB-2024-0142

We write further to the letter from Nyon Oil dated February 13, 2025. Hydro One continues to disagree with Nyon's position on the law and its summary of events. In the event that the Board has any questions at this time about any matter raised in Nyon's most recent correspondence, Hydro One would be pleased to answer them.

Yours truly,
