## DECISION AND ORDER

Hydro One Networks Inc. (HONI) filed an application with the Ontario Energy Board (OEB) on January 7, 2025, under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) for an amendment to Alectra Utilities Corporation's (Alectra Utilities) service area as described in Schedule 1 of its distribution licence ED-2016-0360. Schedule 1 of the licence sets out the service area within which Alectra Utilities is authorized to provide electricity distribution services.

The application has been considered by the Delegated Authority without holding a hearing pursuant to section 6(4) of the OEB Act.

HONI requested the amendment in regard to the subject area described below, which is located within Alectra Utilities' service area:

PART OF LOT 18 CONCESSION 1 EAST OF HURONTARIO STREET  
CHINGUACOUSY, PARTS 1 AND 2, PLAN 43R40376 SUBJECT TO AN  
EASEMENT OVER PART 2, PLAN 43R40376 AS IN CH32237 CITY OF  
BRAMPTON with municipal address 12197 Hurontario Street, Brampton, ON, L6Z  
4P8

The proposed service area amendment is necessary in order that HONI may provide electricity distribution services to Argo Development Corporation, c/o Anil Datt, an individual customer who is the owner of the subject area.

The evidence filed with the application indicates that it is more efficient for HONI to serve the subject area. HONI has explained that it has an existing feeder that runs along the customer's property, with sufficient capacity to facilitate connection and will utilize the existing 27.6kV Snelgrove DS F5 feeder to supply the customer. Alectra Utilities and the customer have confirmed their support of the application through letters of consent filed as part of the application.

The evidence states that no assets will be stranded as a result of the proposed amendment. The evidence also shows that the rates of both distributors will be unaffected and there will be no effect on safety, reliability, or service quality.

Based on the evidence, the OEB finds it to be in the public interest to approve the service area amendment proposed by HONI. To reflect this amendment, Alectra Utilities' distribution licence ED-2016-0360 will be amended to exclude the identified customer from Schedule 1 of Alectra Utilities' licence. HONI's distribution licence ED-

2003-0043 does not need to be amended given the manner in which Schedule 1 of HONI's licence is presented.

**IT IS ORDERED THAT:**

1. Alectra Utilities Corporation's electricity distribution licence ED-2016-0360, specifically Schedule 1 of the licence, is amended to include the following:

1. The City of Brampton as of December 31, 1990 excluding:

- viii. 12197 Hurontario Street

The amended licence is attached to this Decision and Order.
