Re: OEB Licenses GM-2004-0427 and ER-2004-0441

Dear Ms. Walli:

On August 22, 2008 I submitted a letter to the OEB requesting a name change and provided payment for OEB license GM-2004-0427 and ER-2004-0441. Upon further investigation, it is evident that the name change is not required. To clarify, the subject licenses should remain in the name of ECNG Energy L.P. Therefore, I request that you kindly ignore the request for a name change and simply process the \$1,600 annual registration payment.

Please contact me at 403-691-7052 or by email at leesa.savage@altagas.ca if you have any questions at all.

Sincerely,
AltaGas Ltd., administrator for ECNG L.P.
