Dear Patrick McMahon:

**Re: Enbridge Natural Gas Inc.
Request for a Certificate of Public Convenience and Necessity for the
Township of Tay Valley
Ontario Energy Board File Number: EB-2023-0342**

The OEB acknowledges receipt of the recent filings in this proceeding. Given the late intervention request and evidence request by Environmental Defence and the letters filed with the OEB by the Township of Valley and Enbridge Gas in relation thereto, the OEB is suspending the remaining procedural steps set out in Procedural Order No. 1.

The OEB will establish the next steps for the proceeding in due course.

Yours truly,

Nancy Marconi
Registrar
