Dear Ms. Walli:

**EB-2008-0346 – OEB Gas Distributor DSM Guidelines– Hydro One Networks Notice of Participation**

In response to the Ontario Energy Board's ("Board") October 31, 2008 letter to rate-regulated natural gas distributors, and other interested parties I am confirming Hydro One Networks' ("Hydro One") intention to register as a participant for the consultation on Demand Side Management Guidelines for gas distributors. Specifically, Hydro One's interest in this proceeding arises from Board's development of the DSM Guidelines and the potential for parallel issues in DSM Guidelines for electric distributor.

Hydro One is not eligible for and does not intend to seek an award of costs as per the Board's Cost Award Guidelines.

Hydro One requests that documents filed with the Board in this proceeding be served as follows –
