9. Intended Markets and Services

9. (a) Identify the applicant's intended markets and services. Select all that apply.

- ☒ To sell or offer to sell gas to low-volume consumers (consuming 50,000m³ or less of natural gas per year) in Ontario.
- ☐ To act as an agent or broker for a gas marketer with respect to the sale or offering for sale of natural gas to low-volume consumers in Ontario.
- ☐ To act as an agent or broker for low-volume consumers with respect to the sale or offering for sale of natural gas in Ontario.

9. (b) Is the applicant currently providing any of the above listed services?

- ☒ Yes ☐ No

9. (b_ yes) If yes, provide a list of the services the applicant is currently providing.

Hudson Energy provides electricity and natural gas and green energy solutions to commercial consumers including large volume consumers.

9. (c) Please describe in detail the applicant's intended business model and product offering(s). Include details of all products the applicant intends to offer to its customers and explain how the commodity pricing will be determined for each of the applicant's product offering.

Hudson markets gas and electricity offerings through third party brokers, consultants, and vendors. We offer Fixed, Index and Hybrid pricing options for power and gas customers. The commodity pricing will be based on the customers historical usage applied against future market costs assumptions. Depending on the product structure selected these costs could be fixed and/or variable but will be defined in their agreement.

9. (d) Describe how the applicant purchases, or intends to purchase, its commodity supply, including source(s) of supply, pricing terms, hedging mechanisms and timing of purchase relative to customer supply.

Hudson Energy's supply is managed by Just Energy Ontario L.P. and/or Just Energy Trading. These entities have supply purchase agreements with a variety of counterparties and exchanges, including Shell, Macquarie, Mercuria and NGX. Supply is purchased at prevailing market rates using a combination of physical and financial products.

9. (e) Describe in detail the applicant's intended approach to customer acquisition. Please include a detailed description of the marketing/advertising campaign that has been planned to begin customer acquisition and list all sales channels intended to be used.

Hudson Energy Canada Corp. operates as a retail energy company in Canada, specializing in providing commercial, and industrial customers with load-following fixed-price natural gas and power hedges. The core business model focuses on delivering predictable

energy costs to customers by hedging against market volatility and providing price stability. Hudson markets gas and electricity offerings through third party brokers, consultants, and vendors.

9. (f) Does the applicant intend to acquire any services from the third-party providers (e.g. customer service, call centre, settlement services)?

☒ Yes ☐ No

9. (f_ yes) If yes, please provide the following information:

- I. Describe functions to be provided by the third-party service providers and reasons for outsourcing these functions.
- II. Provide detailed information on the third-party service providers.
- III. Explain how the applicant's ability to comply with its legal and regulatory obligations will not be negatively impacted by using third-party service providers?
 - I. Hudson Energy Canada Corp. utilizes third-party service providers for Transaction Management Services. Outsourcing these functions provides expertise, scalability, cost savings, and improved customer experiences, enabling Hudson Energy Canada Corp. to focus on core operations and strategic growth.
 - II. Transaction management facilitates the secure and automated exchange of transactional information between Hudson Energy Canada Corp. and LDC's.
 - III. Using third-party service providers does not negatively impact Hudson Energy Canada Corp. ability to comply with its legal and regulatory obligations because of appropriate oversight and controls, including adhering to detailed contracts and SLAs and undergoing regular audits.
