Subject: EB-2025-0058 – Enbridge Gas Use of Public Lands

Dear Ms. Marconi,

I am a resident of Guelph asking that the Ontario Energy Board reject Enbridge's request to force the City of Guelph to enter into an agreement that would lock-in provision of no-fee access to public lands for 20 years. This is an unfair subsidy. Our City Council and Member of Provincial Parliament both oppose this. The Ontario Energy Board should not force this on Guelph residents against our will.

I also ask that eMERGE Guelph be allowed to participate in a hearing on this issue. It is vitally important that civil society be allowed to participate - including a group like eMERGE, which fights for environmental protection and the interests of Guelph residents like me.

Sincerely,

Bruce Bennett
