Hi there,

Hope this finds you well.

Please find attached the filed Summary and ICR for our OEB application for Waubuno Well Drilling. We filed this with the OEB on December 5 and I don't believe that I sent it over to you for review. Going forward, Tami Showers on my team will be sending these over.

We will be filing our IRs for this Project later this week and will send you the updated documents.

If you can confirm the receipt of this email, that would be great.

Thanks,  
Lauren

Answer to Question from  
Ontario Energy Board (OEB)

Question(s):

3. Please provide any update from ENERGY on anticipated timeline for issuing Letter of Opinion?

Response:

ENERGY has not provided an anticipated timeline for issuing its Letter of Opinion. Enbridge Gas was advised by ENERGY that they were not engaging externally during the Ontario election campaign period. Enbridge Gas expects that ENERGY will be commencing their outreach to the Indigenous groups now that the election has passed.
