**RE: Enbridge Gas Inc. and EPCOR Natural Gas Limited Partnership  
April 2025 Quarterly Rate Adjustment Mechanism (QRAM) Applications  
OEB File Numbers: EB-2025-0078, EB-2025-0096 and EB-2025-0097  
Comments on Amended Applications**

EPCOR Natural Gas Limited Partnership (EPCOR) filed its April 2025 QRAM application for Southern Bruce on March 7, 2025 and for Aylmer on March 12, 2025. Enbridge Gas Inc. (Enbridge Gas) filed its April 2025 QRAM application on March 11, 2025.

By letters dated March 17 and 18, 2025, Enbridge Gas and EPCOR indicated that they plan to file amended April 2025 QRAM applications to reflect changes related to the federal carbon charge. Enbridge Gas plans to file an amended application on March 18, 2025 and EPCOR plans to file amended applications for its Southern Bruce and Aylmer service territories no later than March 20, 2025.

The OEB is providing OEB staff and parties an opportunity to file comments on Enbridge Gas's and EPCOR's amended April 2025 QRAM applications. Any comments from OEB staff or parties on Enbridge Gas's or EPCOR's amended April 2025 QRAM applications shall be filed **2 business days** after each respective amended application is filed. Enbridge Gas and EPCOR shall then have **2 business days** to file any responses to comments on its respective applications.

Yours truly,

Nancy Marconi  
Registrar
