Dear Ms. Marconi:

**Re: Enbridge Gas Inc.  
Application for Approval of Franchise Agreement  
Township of Fauquier-Strickland  
Ontario Energy Board File No. EB-2025-0066**

Further to the question submitted by Ontario Energy Board Staff related to municipal status, Enbridge Gas provides the following response.

**Staff Question-1**

**Reference:** EB-2025-0066, Application and Evidence, page 1

**Preamble:**

Section 2.4.2 of the *Natural Gas Facilities Handbook* provides as follows:

*A brief written description of the proposed franchise area, including the physical boundaries (e.g., municipal boundaries, metes and bounds, on-from-to) and the number and general location of any customers to be served or currently served in the proposed franchise area.*

Enbridge Gas states that the Township of Fauquier-Strickland is a lower-tier municipality located in the Cochrane District in Northeastern Ontario. However, the Township of Fauquier-Strickland is a single-tier municipality.

**Question:**

a) Please update the municipality information accordingly.

**Response:**

a) The reference at paragraph 3 of the Application should state that the Township of Fauquier-Strickland is a single-tier municipality located within the Cochrane District in Northeastern Ontario. This was an oversight by Enbridge Gas.

Should you have any questions on this submission, please do not hesitate to contact me.

Yours truly,
