Intervention Form

Case Number:

EB-2025-0090

Intervenor Name:

Enbridge Gas Inc.

Mandate and Objectives:

Enbridge Gas is an Ontario Corporation with its Registered Offices at the City of Toronto and the Municipality of Chatham-Kent, in the Province of Ontario. Enbridge Gas is a regulated public utility which combines the operations of selling, distributing, transmitting and storing natural gas within the meaning of the Ontario Energy Board Act, 1998.

Enbridge Gas has been providing gas services to residential and business customers within the Township of Blandford-Blenheim since approximately 1954.

Membership of the Intervenor and Constituency Represented:

Issues:

As is noted in Sedum Master's application, Sedum has been a customer of Enbridge Gas for many years and intends to continue to purchase gas from Enbridge Gas. This application could have an impact on Enbridge Gas' CPCN rights and loads served within the Township of

Blandford-Blenheim. Enbridge Gas will be involved with the proposed project by building a delivery station and ensuring that required delivery pressure and quantities of gas are met.

Policy Interests:

Enbridge Gas has a direct interest in all matters of jurisdiction, substance and procedure in the regulation of public utilities, and in any decision of the Ontario Energy Board, which may create a precedent affecting Enbridge Gas' operations and/or rates.

Hearings:

No preference in hearing format.
