**Re: Newmarket-Tay Power Distribution Ltd. Interrogatory Responses for Disposition and Consolidation of Deferral and Variance Account Application
OEB File No: EB-2024-0309**

Dear Ms. Marconi,

Pursuant to the Notice of Hearing and Procedural Order No. 1 dated February 26, 2025, please find enclosed Newmarket-Tay Power Distribution Ltd.'s (NT Power) responses to the interrogatories (IRs), including:

- Complete copy of the responses in PDF form
- Appendix A - Excel document of the 2010 to 2024 DVA Continuity Schedule in response to IRR 2 – Staff-2.
- Appendix B - Excel document of MIST Meter Revenue Requirement in response to IRR 3 – Staff-3.
- Appendix C - Excel document of OEB's DVA Continuity Schedule in response to IRR 3 – Staff-3

NT Power notes that it was not copied on SEC's late intervention notice nor on its interrogatories (it was observed that SEC filed IRs when NT Power reviewed the record of the proceeding prior to submitting IR responses). Although NT Power takes no issue with any late interventions or with providing a response to the IRs, NT Power kindly requests that all parties to this proceeding copy NT Power directly on any future correspondence filed with the OEB in this proceeding.

Should you have any questions regarding this filing, please do not hesitate to contact the undersigned.

Sincerely,

Donna Kwan, CPA, CA
