Dear Kurt Krause:

**Re: Hydro One Networks Inc. (Hydro One)
Waasigan – Expropriation Application
OEB File Number: EB-2024-0319**

The Ontario Energy Board (OEB) is in receipt of your letter¹ dated March 24, 2025, in which you submitted a motion requesting that the OEB remove your properties from Hydro One's expropriation application.

The purpose of the current proceeding is to assess whether the expropriations requested in Hydro One's application are in the public interest. Your letter outlines reasons why you believe that Hydro One should be denied expropriation authorization over your properties. Arguments regarding the expropriation of properties requested by Hydro One will be considered by the OEB in its final decision in this proceeding.

The OEB dismisses your motion without prejudice to your ability to make any submissions you wish to make in your final argument, which is due by March 28, 2025, as set out in Procedural Order 3.²

Yours truly,

Nancy Marconi
Registrar
