OF THE

SCHOOL ENERGY COALITION

1. The School Energy Coalition ("SEC") applies for intervenor status in this proceeding.
2. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board's website, here:

3. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

Issues to be Addressed

4. SEC's intended participation will include the following:
 - a. Proposed issues identified by the OEB;
 - b. Such other issues and concerns that may arise in the course of these consultations, or may be identified by the OEB for inclusion;
 - c. Learnings experienced by SEC counsel as a member of the IRP Technical Working Group, including his understanding of the nuances of the issues that have been discussed at TWG meetings; and
 - d. Generally, to represent the interests of school boards and their students in this process.

The Intervenor's Intended Participation

5. SEC intends to participate in all aspects of the consultation. If the filing of evidence by parties is allowed by the OEB, SEC does not currently intend to file evidence (expert or otherwise), but reserves the right to do so.
