**Attention: Registrar**

**Regarding: EB-2024-0030 – Hydro 2000 Inc. – 2025 Cost of Service Application – Draft Rate Order Update**

Dear Registrar,

Hydro 2000 Inc. acknowledges the Ontario Energy Board's Decision and Order dated March 27, 2025, and specifically responds to Point 2 of the Order.

Hydro 2000 confirms that it will be able to update the draft rate order to reflect the final cost of capital parameters as determined in the cost of capital generic proceeding and issued on March 27, 2025. Hydro 2000 further commits to circulating the updated draft rate order, including the proposed Tariff of Rates and Charges, to VECC and OEB Staff, and filing it with the Board on or before April 7, 2025.

This updated draft rate order will also include detailed customer rate impacts and supporting calculations, in accordance with the Board's direction.

Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

A handwritten signature in green ink, appearing to be "Lise Wilkinson", is written over a light blue horizontal line.
