Attn: Nancy Marconi, Registrar

Dear Ms. Marconi:

Re: EB-2022-0335 – EGI IRP Pilot – SEC Cost Claim

We are counsel to the School Energy Coalition ("SEC"). Attached, please find SEC's cost claim in this matter on the Board's form with accompanying detailed dockets.

This proceeding involved an initial application, with interrogatories, then a revised application and a technical conference, followed by submissions. SEC counsel Jay Shepherd was a member of the IRP Working Group that saw much of the background material prior to the case, and so was in a position to undertake a thorough review without the higher commitment of time that would otherwise have been required. However, the changing evidence did mean that the work involved was more than would be normal in those circumstances.

SEC submits that it participated in a productive manner to assist the Commissioners, and asks that the OEB order reimbursement of its reasonably incurred costs to do so.

All of which is respectfully submitted.

Yours very truly,
Shepherd Rubenstein Professional Corporation
