**Re: Spending Pattern Analysis (EB-2025-0108) –
Toronto Hydro-Electric System Limited Participation Request**

Toronto Hydro-Electric System Limited ("Toronto Hydro") is the local electricity distribution company for the City of Toronto. It serves over 790,000 customers and delivers about 18% of the electricity used in Ontario.

On April 1, 2025, the Ontario Energy Board ("OEB") issued a notice initiating a consultation to engage interested stakeholders in a review of electricity distributors' spending patterns. This consultation is aimed at improving the OEB's regulatory oversight of spending trends and capitalization policies in Ontario's electricity sector. The OEB requested that parties provide notification by April 14, 2025 if they are interested in participating in the consultation. By way of this letter, Toronto Hydro informs the OEB of its intent to participate as a stakeholder to this consultation.

Sincerely,

A handwritten signature in blue ink that reads "Andrew J. Sasso".
