Dear Ms. Marconi:

**Re: Hydro One Networks Inc. (“Hydro One”)
Waasigan Transmission Project – Expropriation Application
OEB File Number: EB-2024-0319**

In accordance with Procedural Order No. 3 dated March 20, 2025, please find attached Hydro One’s Reply Submissions to those received from Ontario Energy Board Staff and Mr. Kurt Krause.

Hydro One has successfully reached voluntary land acquisition agreements involving 18 properties included in the original requested relief. Given these circumstances, Hydro One is publicly filing revised attachments 4 and 5 to its application. The public version of these revisions includes redactions in order to protect the disclosure of personal information.

A separate and confidential filing attaching unredacted versions has been made to the Board (RESS confirmation #56631). In order to maintain the protection of landowner personal information, this filing will not be placed on the public record of this proceeding.

Yours very truly,

McCarthy Tétrault LLP
