A Spectra Energy Company

November 7, 2008

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

Re: EB-2008-0292 - Notice of Motion

On October 31, 2008, Union filed materials in accordance with the Board's October 27, 2008 Notice of Motion and Procedural Order No.1 for the above noted proceeding.

That material was incorrectly characterized as "evidence". It is, in fact, Union's submission on its motion seeking clarification on certain aspects of the EB-2007-0605/0615 Decision related to risk management and the treatment of tax changes.

Given that Union is seeking clarification of the Board's Decision and that its submission is based on information that is already on the record, it is not Union's intention to file evidence or produce witnesses.

Yours truly,
