RE: Shell Energy North America (Canada) Inc. Relinquishment of Electricity Retailer License ER-2020-0090

Dear Sir/Madam,

Shell Energy North America (Canada) Inc., hereby formally request the relinquishment of our electricity retailer license ER-2020-0090, effective May 13, 2025.

Upon thorough evaluation, we have resolved to discontinue our operations as an electricity retailer within the province of Ontario. This decision is in alignment with our strategic business objectives and future plans. It is pertinent to note that we are not currently serving any customers.

We affirm that all obligations to our customers and stakeholders have been duly fulfilled, and there are no outstanding issues that would impede the relinquishment of our license.

Please acknowledge receipt of this letter and confirm the effective date of the license relinquishment. Should you require any further information or documentation, please do not hesitate to contact me at (858) 526-2106 or regulatory@shellenergy.com if you have any questions about this request.

Respectfully submitted,

A handwritten signature in blue ink that reads "Marcie Milner".
