Dear Ms. Marconi:

**Re: ERTH Power Corporation (“ERTH Power”)
Partial Decision and Rate Order
Application for 2025 Rates
OEB File Number: EB-2024-0021**

In accordance with the Partial Decision and Rate Order issued on April 24, 2025 in the above-referenced proceeding, ERTH Power is submitting it has reviewed the Tariff of Rates and Charges and confirms it is accurate and complete.

However, ERTH Power is requesting formatting changes be made to the Tariff of Rates and Charges. The rates for the General Service 50 to 999 KW Service Classification for the Main Rate Zone and the General Service 500 to 4,999 KW Service Classification for the Goderich Rate Zone are displayed over three pages rather than two pages. Please find enclosed excel and PDF versions of the Tariff of Rates and Charges for both rate zones with updated formatting.

If you have any questions or concerns with respect to this submission please do not hesitate to contact Megan Gooding at 519-485-1820 ext. 212.

Sincerely,

Graig Pettit
Vice President & General Manager
