**Re: Revocation of Confidentiality Status – Inspection Report:  
Lakefront Utilities Inc. Follow-Up Inspection of Group 1 Deferral and  
Variance Accounts 1588 and 1589**

Dear Ms. Marconi:

Lakefront Utilities Inc. (“Lakefront”) is writing to formally request that the confidentiality designation be revoked for the document titled Inspection Report: Lakefront Utilities Inc. Follow-Up Inspection of Group 1 Deferral and Variance Accounts 1588 and 1589, which was previously filed in confidence through the Ontario Energy Board’s Regulatory Electronic Submission System (RESS).

Following discussions with our management team, we have decided to make the report available on the public record. We believe that transparency in regulatory matters is in the public interest and hope that making this document accessible will serve as a learning opportunity for other regulated entities and stakeholders.

Lakefront does not wish to restrict access to the findings or conclusions contained in the report, and therefore respectfully requests that the OEB take the necessary steps to remove the confidential designation and make the document publicly available.

Should you have any questions or require further information, please do not hesitate to contact the undersigned.

Respectfully submitted.

A handwritten signature in blue ink, appearing to read 'DW'.
