**To: All Licensed Electricity Distributors
All Participants in Consultation EB-2024-0092
All Other Interested Parties**

On April 17, 2025, the OEB issued a [Notice of Proposal](#) to amend the Distribution System Code to establish a Capacity Allocation Model. In the Notice, the OEB invited stakeholders to provide feedback on the proposal by May 9, 2025.

Several stakeholders have requested an extension for submitting written comments. The OEB is therefore extending the date for stakeholder written comments on the Notice to **May 16, 2025**. However, the OEB encourages parties to file their written comments earlier, if possible.

Yours truly,

Nancy Marconi
