Dear Ms. Marconi,

**RE: EB-2025-0065 Enbridge Gas Stakeholder Conference Attendance
Participation and Cost Eligibility Request of Energy Probe**

In its letter of May 6, 2025, the OEB invited parties that plan to intervene in the EB-2025-0065 Enbridge Gas 5-year gas supply plan application to a meeting on May 15 to discuss the draft case schedule proposed by OEB staff.

Statement of Interest

Energy Probe is a frequent intervenor in OEB proceedings and a participant in its consultations. Energy Probe was a participant in past OEB consultations. Energy Probe participated in past consultations of annual updates to the Enbridge Gas 5-year gas supply plan. Members and supporters of Energy Probe are customers of Enbridge Gas. Its 2025 annual filing can be found at:

Cost Award Eligibility

Energy Probe is a non-profit organization which relies on individual donations to help protect the interest of its members and supporters. Without the prospect of an award of costs, Energy Probe's ability to participate in consultations would be limited. Energy Probe intends to seek a cost award for its participation in this consultation. As an organization representing the direct interests of gas consumers it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure and its Practice Direction on Cost Awards.

Communications

Communications relating to this participation and cost award eligibility request letter should be directed to its consultant:
