**Attention: Ontario Energy Board, Registrar**

Dear Ms. Marconi:

**Re: EB-2025-0065 Enbridge Gas Inc., Five-Year Gas Supply Plan**

In response to your letter dated May 6, 2025, I am writing on behalf of Ginoogaming First Nation ("GFN") to indicate GFN's desire to participate in the above-noted matter. I will be attending the proceeding on behalf of GFN should their request to participate be granted.

GFN is represented by Chief Sheri Taylor ([sheritaylor@ginoogamingfn.ca](mailto:sheritaylor@ginoogamingfn.ca)). GFN's contact information is as follows:

Ginoogaming First Nation  
P.O. Box 89  
Longlac, Ontario P0T 2A0

Attention: Nicholas Daube and Kate Kempton, on behalf of Ginoogaming First Nation  
Email: [ndaube@woodwardandcompany.com](mailto:ndaube@woodwardandcompany.com) and [kkempton@woodwardandcompany.com](mailto:kkempton@woodwardandcompany.com)  
Phone: 416-768-8341

GFN requests an award of costs in this matter on the basis that its comments and participation serve a direct interest and policy perspective that is relevant to the Board's mandate and pressing for Ontario's energy consumers. GFN represents the interest of a unique and otherwise unrepresented set of First Nation energy consumers in Ontario and is committed to ensuring that they are served through access to an affordable, reliable, sustainable and modern natural gas service.

The Board has granted GFN cost eligibility in several Board matters and proceedings previously, including most recently as an intervenor in Enbridge Gas Inc.'s rate rebasing application, which originally bore the proceeding number EB-2022-0200, as well as many other matters and proceedings as a member of Anwaatin Inc.
