Dear Nancy Marconi:

**Re: Enbridge Gas Inc.
Five-Year Gas Supply Plan – Stakeholder Conference
Consumers Council of Canada (CCC) Participation Request
OEB File No. EB-2025-0065**

I am a consultant for the Consumers Council of Canada (CCC). I have been instructed by my client to indicate our intent to participate in the Stakeholder Conference for Enbridge Gas's Five-Year Gas Supply Plan proceeding.

On November 14, 2024, CCC filed with the Ontario Energy Board, pursuant to Rule 22.03 of the Ontario Energy Board's Rules of Practice and Procedure, a document describing CCC, its mandate and objectives, membership, the constituency represented, and the types of activities CCC carries out. In addition, we provided a list of the individuals authorized to represent CCC in OEB proceedings.

We intend to provide input at the Stakeholder Conference regarding an appropriate hearing plan designed to efficiently address Enbridge Gas's application.

CCC intends to ask for an order of costs for participation in the stakeholder meeting. CCC has participated in many proceedings and consultations over a long period of time. In all of those proceedings and consultation processes CCC has been recognized as being eligible for an award of costs. In the absence of an award of costs CCC would be unable to participate in this consultation process.

Copies of all correspondence related to this stakeholder meeting should be sent to the following:

Lawrie Gluck

Please let us know if any further information from CCC is required at this time.
