Cost eligibility. TFG is an Indigenous business corporation that represents the interests of Chippewas of Kettle and Stony Point First Nation (“**CKSPFN**”). CKSPFN is located in southern Ontario along the shores of Lake Huron, 35 kilometres from Sarnia, Ontario and has 1,000 members who live on-reserve and 900 who live off-reserve.

Minogi is an Indigenous business corporation that represents the interests of Mississaugas of Scugog Island First Nation (“**MSIFN**”). The Mississaugas of MSIFN moved into southern Ontario and settled in the areas around Lake Scugog from their former homeland north of Lake Huron around 1700. MSIFN is located on Scugog Island in the Port Perry area and has close to 300 members.

TFG and Minogi hereby request cost eligibility for the Conference. TFG and Minogi are, in accordance with s. 3.03(b) of the Board’s *Practice Direction on Cost Awards*, eligible to seek an award of costs as they are each a party that primarily represents an interest or policy perspective that is relevant to the Board’s mandate and to the Conference.

TFG and Minogi are both members of the Indigenous Working Group and they each represent the interests of a unique and otherwise unrepresented set of Indigenous energy consumers in Ontario and are committed to ensuring that they are served through access to an affordable, reliable, sustainable, and modern natural gas service. TFG and Minogi request an award of costs in the Conference on the basis that their comments and participation serve a direct interest and policy perspective that is relevant to the Board’s mandate and pressing for Ontario’s First Nation energy consumers. The Board has granted TFG, CKSPFN, and Minogi cost eligibility in several Board proceedings.

Sincerely,
