Dear Ms. Marconi

Re: EB-2025-0065 – Enbridge Gas Stakeholder Conference Attendance

As you know, we are counsel to Canadian Manufacturers & Exporters (“CME”) in the above-noted proceeding. Pursuant to the Board’s letter dated May 6, 2025, please consider this CME’s indication of its desire to attend at the stakeholder conference. I intend to attend on CME’s behalf, and my contact information is included at the top of this letter.

CME is a frequent OEB intervenor, and has regularly been granted cost awards. It applies for eligibility in this instance as well.

CME’s interest in Enbridge Gas Inc.’s five-year gas supply plan includes, *inter alia*, the cost, cost effectiveness, and reliability of gas supply, which EGI provides to many of CME’s member businesses. Further information regarding CME and its members can be found on CME’s Annual Filing of Frequent Intervenor form, filed January 16, 2025.

Please let me know if the Board needs any further information.

Yours very truly
