**DECISION AND ORDER**

Impala Canada Limited filed a complete application on April 22, 2025, with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for renewal of its electricity wholesaler licence EW-2020-0196, which is set to expire on September 23, 2025.

This Decision and Order is being issued by the Delegated Authority pursuant to section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the application and assessing the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue an electricity wholesaler licence to Impala Canada Limited.

**IT IS ORDERED THAT:**

1. The application is granted, on such conditions as are contained in the attached licence.
