Subject: Request to Follow Proceeding – Hydro Ottawa Rate Application (Case No. EB-2024-0115)

Dear Registrar,

I hope this message finds you well.

I am writing to formally request to follow the proceeding related to Hydro Ottawa's application to increase electricity distribution rates, referenced under Case No. EB-2024-0115.

Given the current challenging economic climate in Canada, already marked by persistently high inflation and financial strain on households and businesses alike, I have a strong interest in staying informed about this case and its potential implications for ratepayers.

Please advise on how I may be added to the distribution list or otherwise follow updates and documentation related to this proceeding.

Thank you for your time and assistance.

Sincerely,

Jessica Achebe
